dream-ing of the girls you have known,
when you long for sweet-hearts you've had,
There may be a few you can't re-
There are those you nev-er can for-
call;
get;
Then there are those oth-ers who haunt you in dreams,
Though there may be man-y who still think of you,
They don't ev-en think of you at all.
They're the kind you wish you'd nev-er met.
